

SWITCH

The Sustainable Energy People

SWITCH news, January 19th, 2010

Greetings Everyone!

The next SWITCH Open Meeting will take place on Friday, February 5th, 8 am, Queen's Innovation Park, 945 Princess St. **SWITCH member Rob Christie, Cleave Energy will be speaking about the Solyndra PV system.**

If you are interested in sponsoring the refreshments for an Open Meeting, at a cost of \$30, or sponsoring an e-newsletter, at a cost of \$60, please contact Catherine or Ted, info@switchkingston.ca. The refreshments for the February Open Meeting will be sponsored by SWITCH member **Nedco**, a Division of Rexel Canada Electrical Inc., with a featured cheese donation from SWITCH member **Fifth Town Artisan Cheese**. March will be sponsored by John Marriott, OSIsoft Canada ULC, April will be sponsored by SWITCH member **CPE Division-L Inc.**
Save a paper cup, bring a travel mug to the next open meeting!

Open Meetings will be held at Innovation Park in the Conference Room attached to the main entrance to Novellis. Attendees of Open Meetings can enter and exit without having to be signed into the facility, but please continue to sign the SWITCH attendance sheet.

All visitors to SWITCH can enter through the main entrance to Novellis (the front doors) and ask the receptionist to call the SWITCH office (dial 9+613-547-6700 x129). We will come and badge you in.

SWITCH News & Announcements

- 1.** A big welcome to new member **Cathy Campanaro**, of Dominion Lending Centres.
- 2.** SWITCH is looking for a recent graduate to make a joint application to NRC-IRAP's Youth Internship program for a 6 month placement at SWITCH working with the executive director. Please see the attachment for more details.
- 3.** SWITCH is offering a series of business presentations on *How your rooftop can make you money: The new Green Energy Act and your business* January through March 2010. **Stay tuned for updates.** Launched on October 1st, 2009, the new Green Energy Act will enable Ontario businesses to unlock their rooftop asset and earn revenue by generating solar energy and feeding it back into the grid. There are also incentives for your business to become part of the quickly growing renewable energy market by diversifying your products or processes. **The following dates have been confirmed:**

January 24, 2-4 pm, Brockville Public Library
February 16, noon, Peterborough
February 16, 7 pm, Marble Church Arts Centre, Actinolite
February 17, 8 am, Bancroft
February 17, noon, Haliburton

Please RSVP register@switchkingston.ca

4. Del Stowe and Rachel Quittkat from the City of Kingston Building department will be giving a seminar on permit requirements for solar panels, February 10th, 8 am, Innovation Park, main entrance conference room. A light breakfast will be provided courtesy of SWITCH member **KEDCO**. If you are interested in attending, please RSVP to register@switchkingston.ca
5. Tony Fleming, from Cunningham Swan, will be discussing legalities for installers, February 18th, 8 am, Innovation Park, main entrance conference room. A light breakfast will be provided courtesy of SWITCH member **KEDCO**. Please RSVP to register@switchkingston.ca
6. *Save the date:* Hugh McLaughlin, Biochar, February 18th, 9 am, Wilton Women's Institute Hall, **Biochars - what we know, what we think we know and what we do not know**, see attachment for more details. *Ignore the time on the pdf file.* RSVP to register@switchkingston.ca
7. **Financing for microFIT projects:** With assistance from SWITCH member **The Mortgage Professionals** (www.mortgageprokingston.com), SWITCH has clarified that most homeowners with equity in their homes should qualify to borrow against that at standard mortgage rates. As well TD Canada Trust has informed us that businesses may also qualify for a government-guaranteed loan. Full details are available in our Energy Digest (<http://switchontario.ca/wiki/doku.php?id=microfit:financing>)
8. Website feature: <http://switchkingston.ca/wiki/doku.php?id=fit:waterpower>
9. SWITCH staff members Mark Gibson, Jennifer Kiwala and Pierre Nadeau are working to provide value added services to small and medium enterprises who are either in the supply chain or consumers of sustainable energy products and services until the end of March. If you know of an SME that we might not have thought of, please contact us.
10. If you have any leftover nametags that you have received from conferences, please consider donating them to SWITCH to reuse and recycle.
11. **"Become a SWITCH sponsor":** You may have noticed this message at the top of the sidebar of our updated website. That space, as well as space on our weekly e-newsletter, and our email signature, will be available on an annual basis to a SWITCH sponsor. Please consider providing vital financial support to SWITCH and its mission of making the Kingston region a centre for sustainable energy. Contact SWITCH executive director Ted Hsu for more information.

SWITCH Member News & Announcements

The ELORIN corner:

1. Biobreakfast, February 11, 7 – 9 am, Donald Gordon Conference Centre, 421 Union St. The speaker will be Lori Gadzala, the Executive Director of the Canada Green Building Council (CaGBC), Ottawa Region, *Green Building and LEED 2010 – an update*. Lori Gadzala will be discussing the LEED Canada Initiative, green building projects in Eastern Ontario, and why people choose to build green. Tickets are \$30 (\$15 for full-time

students). Registration and cancellation deadline is February 9, 5:00 pm,
http://www.elorin.ca/site/index.php?method=public.eventDetail&event_id=157

2. SWITCH member **AEPAY Global Energy** is looking for large commercial rooftop space for lease for the installation of solar panels. AEPAY plans on having several 250 kW arrays in place by the summer. Any inquiries can be directed to SWITCH member **Chris Morris**, sales representative with RealtySource Inc., brokerage. (613) 546 4208 (office), (613) 539 8438 (cell), chris@chris-morris.ca. Please see the attached for more information.
3. SWITCH member **Aim Energy Inc.** was a key partner in the design, supply and building of the first Hybrid Renewable Energy Supplemented Data centre in North America. The ground-breaking system was constructed over the past 6 months for Pizza Pizza Limited. Atlantic Wind & Solar Inc. (AWSL's) 47.5%-owned Canadian affiliate, Hybridyne Power Systems Canada Inc. (HPSC) commissioned the project. Hybridyne Power Systems is a partner with an OEM branding agreement with Aim Energy Inc.
4. SWITCH member **The Kingston Sustainability Centre** sent the following update: "The Kingston Sustainability Centre is proud to announce the Community Classroom is ready to be used. Sponsored by Xerox Canada and Seaway Document Solutions the classroom is equipped with a projector (donated by Future Shop and Green Scheme), tables, chairs and projector screen. **SWITCH members please be creative and use this space.** Renewable energies are the future. However, as early adopters we need to help others see the benefits and necessity of renewables. Use this space! Teach a workshop, host a guest speaker, facilitate a debate, or sign up for a class! Contact us and let the KSC know how you can contribute to the classroom. For more information, contact Dan Hendry, danieljameshendry@gmail.com or Kelsey Jensen, kelseyjensen@live.ca or you can reach the Centre at (613) 544-6660."
5. SWITCH member **KEDCO** is presenting a series of 5 seminars devoted to helping small businesses get the most out of their websites. Each session costs \$15, or you can register for all 5 for \$60. Please see the attached file for dates and times.

Local non-member News & Announcements

1. GreenUp! 2010 is looking for volunteers to take a lead organizational role in helping to organize this year's event. SWITCH is helping the Community Foundation for Kingston & Area (CFKA) to solicit names of potential volunteers. Please email SWITCH, info@switchkingston.ca if you are interested.
2. The City of Kingston is holding two public workshops towards the development of Urban Design Guidelines for Low and Medium Density Residential Intensification and New Communities on Wednesday, February 3rd, at Memorial Hall. Please go to this link for more information and registration details
<http://www.cityofkingston.ca/residents/development/urbandesign/>.
3. **Event:** Queen's Commerce and Engineering Environmental Conference (CEEC): Exploring the Green Advantage, March 5th to 6th. This conference brings together students from multiple disciplines of study and is a truly unique sponsorship opportunity. Significant exposure and promotion to students and the public is offered. For more information, please contact andrew.mutrie@ceec.ca.

4. Kingston Unplugged, An Earth Hour Event, is scheduled to take place on Saturday, March 27th at 7 pm, Springer Market Square. You can visit the Earth Hour website by going to <http://www.earthhour.org>.
5. The official website for Sustainable Kingston (an ICSP from FOCUS Kingston), can be viewed by going to <http://www.sustainablekingston.ca/>. Comments on the plan are easy to make by clicking on the blue circular icons found throughout the website.
Comments will continue to be accepted for the future drafts.
6. Wintergreen Studios, <http://www.wintergreenstudios.com/index.php>, an off-grid education and retreat centre located in the Frontenac Arch Biosphere Reserve, offers meeting and retreat facilities, as well as one and two-day workshops at a 10% discount to SWITCH members. Please advise them you are a SWITCH member when registering in order to receive the discount.
7. **New Grant program:** The Community Energy Partnerships Program, <http://news.ontario.ca/mei/en/2009/09/ontario-supports-local-investments-in-green-energy.html> is offering one time financial assistance of up to \$200,000 for project planning, environmental and engineering studies. The program is open to community groups, including cooperatives, non-profit groups and local partnerships. Projects are eligible to receive a graduated incentive, based on the percentage of local ownership, of up to 1 cent/kilowatt hour in addition to standard feed-in-tariff rates.

Non-local News & Announcements

1. The Ontario Solar Academy, <http://www.solaracademy.ca/>, is holding a 5-day Solar PV Design and Installation Course, February 22-26, Toronto, Don Valley Hotel, 1250 Eglinton Avenue East. Enrolment is limited, please go to their website for more details on registration. If you register by **January 31st**, the total cost is reduced by \$500.
2. The latest issue of the Ontario Power Authority's *Electricity Conservation on Ontario Farms* is now available
http://www.powerauthority.on.ca/Page.asp?PageID=861&SiteNodeID=296&AA_SiteLanguageID=1
3. **Event:** Power Lunch Webinar, January 28, 12:30 to 2 pm, Best Practices: Leading US local initiatives, <http://webinars.reeep.org/>.
4. NASDAQ® Clean Edge® Green Energy Index (CELS)
<http://cleanedge.com/ceindex/#cels-container>
5. The Ontario Ministry of Economic Development & Trade (MEDT) and the Canadian Embassy in Moscow are organizing an Ontario/Canada Construction & Building Products mission to MosBuild 2010. Ontario companies are invited to join the mission, April 6-9, at the Expocentre Krasnaya Presnya, Moscow. The registration deadline is February 8th. Please go to the Mosbuild website <http://www.mosbuild.com/> for more information.
6. The Ontario Government, through the Ontario Solar Thermal Heating Initiative (OSTHI), has increased the incentives available for solar hot water systems fivefold. OSTHI will now provide a maximum of \$400,000 per project. For more information, please go to <http://www.news.ontario.ca/mei/en/2009/12/solar-technologies-help-build-ontarios-green-economy.html>.
7. **Funding Opportunity:** Earth Day Canada is now accepting applications for the spring grant period of the Community Environment Fund. The deadline to apply is **February 28, 2010**. Please go to this site to learn more
http://www.earthday.ca/pub/resources/media_releases/2009-12-03_cef_schools_engo_outreach/index.html.

8. Funding Opportunity: Does your business have a need that could be met by a University researcher and a student? MITACS will find the researcher and student, match your dollars 1:1, with minimal paperwork on your part. It's not just limited to science and engineering. For more information on the program, contact SWITCH or contact MITACS directly: Alison Lee, alee@mitacs.ca, 416-650-8439 (bus.) and 647-519-1211 (cell).

Bringing **new life** to energy

Hope to see you at the next SWITCH event,

Ted Hsu, Executive Director; Mark Gibson, Green Energy Business Consultant; Jennifer Kiwala, Outreach & Event Coordinator; Pierre Nadeau, Sustainable Energy & Internet Communications Assistant; Catherine Humphreys, Administrator
